Playgroup

Where Little Feet Take Big Steps!

**Welcome to Playgroup,
where every day is a
new adventure.
Designed for children
between 18 months to
36 months, Playgroup
is more than just play;
it's the foundation of
your child's learning
journey.**

**Our young minds engage in play-based learning
that supports their cognitive, social, emotional, and
physical development.**

**Whether it is storytelling, music, creative arts, theme
based activities, hands-on discoveries or group
interaction, we offer a range of structured and
unstructured engagements that support the child's
early development in a safe, nurturing and inclusive
environment.**

Learning Centre

Age Groups:
1.5 yrs to 3 yrs
3 yrs to 10 yrs

**At our learning centre,
we nurture curious
minds through a blend
of freedom, equality,
cooperation, and
prosocial values.**

Rooted in the belief that children thrive well when intrinsically motivated, our approach balances structured routines with the joy of free play. Each day is thoughtfully planned to include life skills, experiential learning, and creative exploration—encouraging children to grow into confident, compassionate individuals.

Children strengthen their skills in phonics, visual arts, maths and language through thoughtfully designed activities and personalised attention. We encourage self-study and provide visual tools to help children grasp concepts with clarity. Alongside academics, our program includes regular sports and movement sessions that build confidence, focus, and teamwork—ensuring a well-rounded development of both mind and body.
